Sufyan Khan

HIGHER SECONDARY GRADUATE · COMPUTER SCIENCE · INTERNATIONAL SCHOLARSHIP APPLICANT

PROFESSIONAL PROFILE

Motivated and disciplined Pakistani graduate with a **Grade A in HSSC Computer Science**, combining a strong academic record with real-world programming projects across Python, C++, and web development. Passionate about technology as a vehicle for social progress, with demonstrated leadership through community teaching and college club coordination. Actively pursuing an **international undergraduate scholarship**, offering a rigorous work ethic, cross-cultural adaptability, and a proven ability to learn independently in resource-constrained environments. All academic credentials are IBCC/MOFA verified and supported by formal institutional recommendation letters.

EDUCATION

Higher Secondary School Certificate (HSSC) - Computer Science

2025

Allama Iqbal Model School & College (AIMS), Sakhakot, Malakand

Grade A (Excellent) - 850 / 1,200 marks

- Core stream: Computer Science, Mathematics, Physics
- Certificates and mark sheets attested by IBCC and Ministry of Foreign Affairs, Pakistan (May 2026)
- Formal recommendation letters issued by Principal Dr. Ihsan Ullah and Vice Principal Suleman Safi

Secondary School Certificate (SSC) - Science Group

2023

BISE Malakand / Buy Model School, Sakhakot

Grade B (Very Good) - 683 / 1,100 marks

- Subjects: Mathematics, Computer Science, Physics, Chemistry, Biology, English
- IBCC and MOFA document attestation completed (May 2026)

TECHNICAL PROJECTS

All source code openly available at github.com/programmingpioneer

DocoDive – Cloud-Native Programming Book Library

PYTHON · FLASK · TIDB · CLOUDFLARE R2 · BREVO

Full-stack digital library platform with user management, PDF uploads, book reviews, threaded discussion, official verified account system, community moderation tools, leaderboard, and integrated live chat. Built on a serverless architecture with zero-cost cloud scaling and automated email/CRM workflows.

Student Grade Management System

PYTHON - FILEIO - DATA VALIDATION

Console application that records, updates, and summarises student performance data. Implements structured file I/O, input validation, and automated grade calculation with summary reporting.

Responsive Portfolio Website

HTML5 - CSS3 - JAVASCRIPT - GITHUB PAGES

Multi-page personal portfolio built from scratch using semantic HTML5, custom CSS layouts, and vanilla JS interaction. Fully responsive across mobile and desktop; deployed live via GitHub Pages.

Interactive Quiz Application

JAVASCRIPT - DOM MANIPULATION - TIMER LOGIC

Browser-based quiz engine with countdown timer, dynamic question rendering, real-time scoring, and result summary - built entirely in vanilla JavaScript with no external libraries.

LEADERSHIP & EXTRACURRICULAR

- College Tech Club - Founder & Coordinator**
Established coding & hardware club; organised inter-class competitions and hands-on workshops.
- Official Sports Certificate Holder**
Recognised for athletic excellence and team discipline in regional sports competitions.
- Community Tech Literacy Volunteer**
Led weekly computer basics sessions for underprivileged students; 50+ individuals trained.
- Environmental & Social Campaigns**
Active participant in tree plantation drives and village cleanliness community initiatives.

ACADEMIC ENDORSEMENTS (VERIFIED)

Dr. Ihsan Ullah

Principal, AIMS College, Sakhakot

Formal recommendation certifying high intellectual ability, academic excellence, and leadership potential.

Suleman Safi

Vice Principal, AIMS College, Sakhakot

Letter of support highlighting dedication, exemplary conduct, and collaborative peer engagement.
